Watch Me!

Celebrating Milestones and Sharing Concerns

A FREE Online Training Course

Early care and education providers play a critical role in the health and wellbeing of children in their care and their families.

"Watch Me! Celebrating Milestones and Sharing Concerns" is a free, 1-hour online CEU course that helps early care and education providers better identify and monitor developmental milestones; recognize signs of potential delays; and share observations with parents. This training offers tools and best practices to support professionals and help children reach their full potential.
